

How to level

Step 1: Navigate to your profile and character

The screenshot shows the user's profile page on the MEAD website. The navigation bar at the top includes 'Home', 'Profile' (highlighted with a red circle), 'About Us', 'Campaign', 'Events', 'Plot', 'Admin Team', 'IT', 'Rules & Downloads', 'Welcome Rushka Venter!', 'Change Password', and 'Log Out'. The main content area is divided into several sections: 'Upcoming Events' with a 'More Events Coming Soon-!' link; 'Your Details' showing a 'Profile % Complete' progress bar at 100% and a 'View or Edit Profile' button; 'Useful Links' with 'Frequently Asked Questions' and 'Rules and Downloads'; 'Manage Characters' listing 'Will Smith' and 'Astra' with buttons for 'Manage Background' and 'Manage Skills, Items and Goblin Points'; 'Requests' with a 'New' section and buttons for 'Mini Event Request', 'Plot Approved Skill Request', and 'View All'; and 'Goblin Points' showing 'No Outstanding Requests' and a 'Claim Goblin Points / View Past Claims' button.

Step 2: Go to EP spend for converting EP to Build Points

The screenshot shows the 'Character Management' page on the MEAD website. The navigation bar is the same as in the previous screenshot. The page title is 'Character Management' and it has a sub-section 'Important Notes' with a link to 'registration@meads.co.za'. Below the notes is a table with character statistics:

Current Available EP	452

Current Available Build	1
Potential Build If Converted	3
Convert All EP	<input type="button" value="Convert All EP"/>

At the bottom of the table are 'Previous' and 'Next' buttons. On the left side, there is a sidebar menu with 'EP & Build' highlighted in red. The 'Convert All EP' button in the table also has a red arrow pointing to it.
